

IBRAHIM ZAHID

PERFORMANCE MARKETING EXECUTIVE

+92 303 4788893 buttibrahim848@gmail.com Lahore [LinkedIn](#) [Portfolio](#)

PROFESSIONAL SUMMARY

Performance marketing executive with **3 years of hands-on experience** managing paid acquisition campaigns across Meta, Google, TikTok, and YouTube for lead generation and e-commerce. Strong in conversion tracking, attribution, performance analytics, and funnel optimization, with experience using data to evaluate CTR, CPC, CPA, and ROAS and drive campaign improvements. **Generated 1M+ leads** while contributing to **\$11M+ in attributable revenue** across international markets.

CORE COMPETENCIES

- **Paid Media:** Meta Ads | Google Ads | TikTok Ads | YouTube Ads | LinkedIn Ads — Familiar
- **Analytics & Conversion Tracking:** GA4 | GTM | Google Ads Conversion Tracking | Meta CAPI | Attribution
- **Campaign Optimization:** Keyword Research | Bid Optimization | Budget Optimization | Lead Quality
- **Conversion Optimization:** A/B Testing | Creative Testing | Landing-Page Testing | CRO | Funnel Analysis | Funnel Optimization
- **Reporting & Measurement:** Looker Studio | Excel | Google Sheets | Performance Dashboards
- **Audience & Acquisition:** Audience Segmentation | Audience Research | Retargeting | Lookalike Audiences

PROFESSIONAL EXPERIENCE

LeadVIPS | USA | Marketing Agency Performance Marketer

Sep 2023 - Present
Full-Time

- Independently manage paid acquisition across **500+ client advertising accounts**, owning campaign setup, budget allocation, optimization, performance tracking, testing, compliance, and reporting across Google, Meta, and TikTok.
- **Reduced CPA by 55%, from \$2,000+ to <\$900**, by diagnosing audience, budget allocation, and conversion inefficiencies through campaign and funnel analysis, then reallocating spend and refining targeting and funnel performance.
- Doubled conversion rate and lead quality across Google, Meta, and TikTok campaigns in the U.S., Canada, UK, and Australia through audience segmentation, bidding, keyword, and budget optimization.
- **Led structured creative and CRO testing** across Meta and Google, collaborating with creative teams to develop and test ad concepts, UGC, messaging, headlines, offers, landing pages, and funnels.
- Implemented GA4, GTM, Google Ads conversion tracking, Meta Pixel/CAPI, and offline conversion measurement, **improving attribution coverage by 30%**.
- Prepared weekly/monthly performance reports using Looker Studio and Excel/Sheets, surfacing insights that **reduced CPA/CPL by 22% and improved ROAS by 28%**.

Uplift Relief | CAN | Marketing Agency Performance Marketer

May 2026 - Present
Part-Time Contract

- Manage **Google Search, Meta, and YouTube campaigns** for the final-expense vertical, overseeing campaign strategy, optimization, tracking, and performance reporting.
- Develop and test ad concepts, scripts, video creatives, landing pages, and funnel strategies to improve acquisition efficiency, conversion performance, and lead quality.
- **Analyze campaign economics and funnel performance**, optimizing targeting, creative, tracking, and budget allocation while delivering performance insights and scaling recommendations to senior management.

EDUCATION

B.S. in Computer Engineering — FAST-NUCES

Sep 2019 - Sep 2023

PROJECTS & CERTIFICATIONS

- **SpyingAgent:** Built an ad intelligence platform that monitors thousands of competitor ads daily, extracting creative patterns, messaging, ad copy, hooks, and scripts and turning competitive research into actionable performance-creative insights—helping marketers identify winning angles, generate new creative ideas, and iterate faster.
- **OCU:** Built a lead-generation and attribution system that connects ad clicks to CRM lifecycle stages and imports offline conversions into Google Ads, enabling optimization toward qualified leads rather than raw lead volume.
- **Certified Digital Marketer — HubSpot**
- **SQL - University of South Carolina**
